

SCHOOL FUNDRAISING IDEAS

Having trouble coming up with ways to fundraise for Kids Walk? Here are some ideas to help get you started! Remember, you know your audience best so be sure to think about what will work well at your school.

- **Hold a dress down day.** Does your school have a uniform or dress code? Students and faculty can pay \$5 to participate in a school wide dress down day.
- **Host a bake sale.** Have members of your team bake or buy baked goods and hold a bake sale at school. Make sure to advertise the sale the week before!
- **Coin competition.** Encourage competition between the grades! Place a jar for each grade somewhere public in the school. The goal is to fill your grades jar with the most coins. Pennies are negative points.
- **Get out of gym pass.** Students can pay \$5 in exchange for one pass to get out of gym class on any day of their choosing.
- **Sports tournament.** Hold a dodge-ball, basketball, or other sports tournament in the gym after school. Charge a small fee for students to play as well as one for spectators.
- **Organize a car wash.** Organize a car wash in your local community. Spend a day washing cars with your team to benefit Kids Walk!

WALK. FIGHT. UNITE.

Need more ideas? The Kids Walk team is here to help!
