for kids with cancer

Memorial Sloan Kettering
Cancer Center

MEMORIAL SLOAN KETTERING

MAY 5, 2018

Central Park
New York City

Kids Walk Warriors are those who have faced pediatric cancers, are currently battling, and those we have lost too soon. We honor and celebrate our Warriors' courage and strength on event day and every day of the year.

Kids Walk brings together patients, families, students and supporters to walk and raise money with one unified goal: to beat pediatric cancers. 100% of every dollar goes to pediatric cancer research at Memorial Sloan Kettering Cancer Center.
